Welcome and Overview

As you begin your student experience with us, you are entering a supportive and vibrant learning community built on mutual respect and collaboration.

At UHI Inverness we are committed to providing you with the resources you need to thrive academically and personally. Our Student Support Centre and The Bothy, our drop-in workshop and support venue, are open every weekday to assist you every step of the way. They are both located behind reception at the Inverness Campus.

We also offer cost-of-living support such as our foodbank, The Larder, and our free toiletries cupboard, The Cubby, which can both be found in the atrium. Additionally, we provide three free car parks and bike storage at the Inverness Campus and there are public service bus stops in our grounds.

As part of our commitment to create a healthy and inclusive environment, we are proud to maintain a smoke-free campus. Smoking and vaping are only permitted in the smoking shed by car park one. Please refrain from smoking at entrances, exits, and approaches to our campus buildings to uphold our clean and welcoming atmosphere.

We are excited to welcome you to UHI Inverness and look forward to supporting you throughout your time with us.

Please read the [Welcome Guide](#) and [Key Information Booklet](#). There is a variety of information contained in these guides, some of which will be of greater relevance to you as you work through the course. They are there to dip in and out of when you feel you need a bit more information.

Personal Support Whilst Learning

Congratulations on taking a brave step onto a new pathway to learning!

We understand that throughout the course of your learning journey you may experience personal difficulties or life events which make studying more challenging. Our aim is to offer the care, support and guidance required to help you achieve your goal of successfully completing your studies.

If you are studying full time at SCQF Level 6 or below (Further Education **FE** level) you will be assigned to a **Personal Development Advisor (PDA)**.

Your **PDA** should be **your first point of contact** for any support needs, queries or concerns you may have.

Your PDA

We have a team of Personal Development Advisors (PDAs) who will be available to provide advice and guidance to support your personal development while you study with us. The PDA cannot provide academic support but is a focal point for pastoral care and will work in partnership with your academic teams to support you whilst you study.

Your PDA is Ralph Gunn

If you need to see your PDA during College hours, you should make an appointment via email or in an emergency on the mobile number provided in this handbook or via the Student Support Centre.

General student support will also be offered through the Student Support Centre, which is open from 0830 to 1630, Monday to Friday, at Inverness Campus.

Your PDA can be contacted on:

 01463 273208 or Mobile: 07384 246343

 Ralph.Gunn.ic@uhi.ac.uk

If your PDA is not available, you can contact our Student Support team at Student.Support.ic@uhi.ac.uk

PDA Time

You will be scheduled to have specific time with your PDA throughout the course of the year. It is very important that you attend these sessions as they are designed to help you manage your wellbeing and ability to study effectively.

Sessions could include:

- Induction and orientation information
- Team building activities
- Wellbeing and resilience tools
- Coping with stress strategies
- Employability, careers advice and preparation
- Finance and budgeting information, support, and guidance

Your PDA can also help you with a wide range of other concerns you may have such as:

- Attendance and attainment concerns
- Course information and choices
- Finance – funding support, applying for hardship funds, if required
- Help filling in forms – course and funding applications
- Accommodation – help and advice on where to look
- Childcare information – local nurseries
- Progression after your course – What to do next and where to look for help and support

Your PDA can also refer you to more specialist services for wellbeing, counselling, general and additional support for learning, funding, welfare needs and additional help and guidance for managing your transition into student life.

This list is by no means exhaustive. Your individual needs are important to us, whatever the situation, we will listen and try to help.

If your PDA is not available, you can drop into the Student Support Centre behind reception at the Inverness campus and the team will aim to provide the answers you need or find someone who can.

The Student Support Centre is open from 0830 to 1630, Monday to Friday.
