# Welcome and Overview

As you begin your student experience with us, you are entering a supportive and vibrant learning community built on mutual respect and collaboration.

At UHI Inverness we are committed to providing you with the resources you need to thrive academically and personally. Our Student Support Centre and The Bothy, our drop-in workshop and support venue, are open every weekday to assist you every step of the way. They are both located behind reception at the Inverness Campus.

We also offer cost-of-living support such as our foodbank, The Larder, and our free toiletries cupboard, The Cubby, which can both be found in the atrium. Additionally, we provide three free car parks and bike storage at the Inverness Campus and there are public service bus stops in our grounds.

As part of our commitment to create a healthy and inclusive environment, we are proud to maintain a smoke-free campus. Smoking and vaping are only permitted in the smoking shed by car park one. Please refrain from smoking at entrances, exits, and approaches to our campus buildings to uphold our clean and welcoming atmosphere.

We are excited to welcome you to UHI Inverness and look forward to supporting you throughout your time with us.

Please read the [Welcome Guide](#) and [Key Information Booklet](#). There is a variety of information contained in these guides, some of which will be of greater relevance to you as you work through the course. They are there to dip in and out of when you feel you need a bit more information.

# Personal Support Whilst Learning

Congratulations on taking a brave step onto a new pathway to learning!

We understand that throughout the course of your learning journey you may experience personal difficulties or life events which make studying more challenging. Our aim is to offer the care, support and guidance required to help you achieve your goal of successfully completing your studies.

If you are studying full time at SCQF Level 6 or below (Further Education **FE** level) you will be assigned to a **Personal Development Advisor (PDA)**.

Your **PDA** should be **your first point of contact** for any support needs, queries or concerns you may have.

## Your PDA

We have a team of Personal Development Advisors (PDAs) who will be available to provide advice and guidance to support your personal development while you study with us. The PDA is not academic support but is a focal point for pastoral care and will work in partnership with your academic teams to support you whilst you study.

Your PDA is Katy Turton (Mon, Tues, Fri am).

If you need to see your PDA during College hours, you should make an appointment via email or in an emergency on the mobile number provided or via the Student Support Centre.

General student support will also be offered through the Student Support Centre which is open during term time from 0830 to 16.30hrs, Monday to Friday.

**You can contact me on:**

01463 237208 or 07385 526 969

Sessions could include:

This list is by no means exhaustive. Your individual needs are important to us, whatever the situation, we will listen and try to help.
